CREW has allowed me to hone my leadership and management skills through the positions I've held while serving on committees and the board of directors. Additionally, CREW has allowed me to strengthen my network by providing me access to professionals who represent all aspects of commercial real estate. Membership in CREW is a 'must' if you're seeking to develop relationships, gain knowledge, and expand business.

-Ashley Carter, Past President
Pacheco Koch

The impact that CREW has had on the CRE industry has improved us all. Being involved in both the Fort Worth and Dallas chapters has enriched my life, provided opportunities to give back to my community, and provided a network of professionals nationally that has expanded CODA's business market with resources so that we are better able to serve our clients.
